

Happy Mother's Day

Today was Mother's Day. Joe and May went to the flower shop to buy some beautiful flowers for their mum. The flowers were one hundred dollars. The shopkeeper was polite. Joe and May were happy and excited.

After a while, they walked from the flower shop to their home. When they walked near the park, suddenly, some bees flew around the flowers. They were surprised.

They started to run. The bees almost stung on their hands. They were scared so May threw the flowers on the ground. They ran home.

When they went home, they made a card with a flower at once. When Mum saw it, she was very happy. She hugged Joe and May. In the end, they had a wonderful Mother's Day.
