

Story Writing- An unforgettable trip to Busan

Yu Hoi Lam, Rainbow 6D (19) (2022-2023)

I travelled to Busan in Korea with my family during the summer.

On the first day of our trip, my family and I visited the temple. We took a lot of photos and enjoyed the sea view. I felt relaxed and excited. We were surprised by the scenery of Busan of Korea.

Then, we had dinner at a Korean restaurant. My mum ordered a seafood stew, a plate of sashimi octopus and some kimchi. They were so delicious. I love the kimchi most. It was spicy, crunchy and fresh.

However, I did not feel well while we were shopping in the night market. Suddenly, I had a stomach ache. It was painful. I went to toilet and vomited. I felt so sick and cried in pain.

My family were so worried about me and brought me to the hospital. I saw the doctor and he gave me some medicine.

I felt better after taking medicine. I sent a Thank you card to my mum because she stayed in the hospital with me for the whole night. After this painful experience, I would never have meals in a dirty restaurant.
