

Travelling to Korea

During the summer holiday, I went to Busan in Korea with my family. We went to visit the temples in Busan. I enjoyed the sea view with my family. It was very beautiful and amazing.

Next, we went to a local restaurant and ate the seafood stew with kimchi. The food was yummy and delicious. There were so many different kinds of seafood in the stew.

After that, when I got back to the hotel, I felt sick. My stomach was very painful. I ran to the toilet immediately and vomited. I felt very sad and uncomfortable.

In the end, my mother took me to see the doctor. He said, 'It is gastroenteritis!' I ate some pills and got better. I learnt that we should be careful about what we eat.
